“Very informative! With practice, I know I will be able to work with others.
Most importantly, be able to center myself in all situations."

Therapeutic Touch (TT) is a holistic, evidence-based therapy that incorporates the intentional and compassionate use of universal energy to promote balance and well-being. It is a consciously directed process of energy exchange during which the practitioner uses the hands as a focus to facilitate the process.

Speaker:
Dr. Jean Kijek, PhD, RN, QTTT
