

CHRISTINE E. LYNN
COLLEGE OF NURSING
Florida Atlantic University

The Christine E. Lynn College of Nursing at Florida Atlantic University (<http://nursing.fau.edu>), and the Institute for Sensing and Embedded Network Systems Engineering (I-SENSE: <http://isense.fau.edu>) are seeking outstanding candidates for a tenure-track faculty position at the intersection of Nursing, Sensing, and Computation. Preference will be given to candidates with demonstrated interdisciplinary experience that bridges Nursing, Computer Science, Computer Engineering, and/or related fields.

Applicants will be a licensed RN with a PhD in Nursing or a related field with a program of research incorporating sensing and/or smart systems. Applicants will be passionate about nursing and thrive in a creative, collaborative, and caring work environment. The College of Nursing is grounded in a philosophy of caring that creates a foundation for research, teaching, practice, and service.

Interested applicants must submit a curriculum vita, statements of research and teaching interests, and names and contact information for at least three professional references. Applications must be submitted electronically to the currently posted position on the Office of Human Resources' job website <https://jobs.fau.edu> (position 999999R).

Florida Atlantic University is an Equal Opportunity/Equal Access institution in the provision of its education and employment programs and services. Persons from diverse backgrounds are encouraged to apply. All applications submitted for employment are public records except as exempted under 119.07, Florida Statutes. Individuals with disabilities requiring accommodation, please call 561-297-3057. TTY/TDD 1-800-955-8771.
