## FACULTY POSITIONS 2013-2014 Academic Year

We seek candidates to join our community of scholars who are passionate about nursing and thrive in a creative and caring work environment. Our innovative, caring-based programs include programs of study at the bachelors, masters and doctoral degree levels. Positions available for the 2013-2014 academic year include the following:

**Schmidt Family Foundation Distinguished Professor** – A tenure-earning/tenured **position (#992142)** is available on the Boca Raton campus for an established nursing scholar at the associate or full professor rank. An earned doctorate in nursing or related field and a master's degree in nursing are required. Candidates should have a focused program of research in caring-related initiatives that address areas like healthy aging, holistic health, health equity and transforming practice environments. Demonstration of significant scholarship and grant funding is required.

**Assistant/Associate Professors (3)** – Two tenure-earning **positions (#981207, #991045)** and a practice-teaching (non-tenure, clinical) track **position (#992033)** are available on the Boca Raton campus. Candidates for the practice-teaching track should be certified as a nurse practitioner with either a DNP or PhD. Candidates for a tenure-earning position should have an earned doctorate in nursing or a related field and a master's degree in nursing in a focused area of practice, including, but not limited to primary care. Tenure-earning candidates are expected to have a focused program of research, a track record/and or high potential for grant funding, and some record of scholarship.

### **Associate/Full Professor (1) – DNP Program Director - Practice-Teaching Track**

The DNP program director (non-tenure earning **position #981067**) at the Boca Raton campus is responsible for oversight and management of the DNP program within the College of Nursing which includes a BSN-DNP track and a post-master's entry track with a current enrollment of 65 students. Candidates should be certified as a nurse practitioner and possess an earned doctorate with preference given to candidates with a DNP. A minimum of two years teaching experience in a graduate program is required with knowledge about the DNP curriculum development and practice issues.

All applicants must complete the Faculty, Administrative, Managerial & Professional Position application for Faculty Positions available online through the Office of Human Resources <https://jobs.fau.edu> (it is important to apply choosing the correct position number).
