Archives of Caring in Nursing**

**College Archives: Thesis and Dissertation Collection**

This collection contains bound copies of theses submitted for the Master of Science degree in Nursing at Florida Atlantic University, and some PhD dissertations. Some items from other colleges or universities are also held, primarily because the author held a faculty appointment at FAU at some time.

These volumes may be examined in the Archives of Caring in Nursing by appointment. These items are non-circulating, except by permission of the Dean, Christine E. Lynn College of Nursing. Contact the Curator at [nurarchives@fau.edu](mailto:nurarchives@fau.edu) for an appointment or further information.

#### **About the Archives of Caring in Nursing:**

Please visit <http://nursing.fau.edu/archives> for information on scope, collections, and policies. Send inquiries to [nurarchives@fau.edu](mailto:nurarchives@fau.edu)

The Christine E. Lynn College of Nursing is dedicated to caring: advancing the science, studying its meaning, practicing the art, and living it day-to-day.

The Archives of Caring in Nursing has as its mission preserving the history of caring in nursing, inviting the study of caring, advancing caring as an essential domain of nursing knowledge, and creating meaning for the practice of nursing. We are committed to securing the papers of Caring scholars, and developing and maintaining the Archives to provide access to primary sources.

Finding Aids for the collections are accessible at the Archives of Caring in Nursing [Collections](#) page. On-site use of the materials in the collections is available by appointment.
