

SPOUSES OF VETERANS AND PET DOGS

- Are you the spouse or significant other of a Military Veteran living with mental health challenges?
- Do you currently own a dog?
- Seeking participants for a research study to learn about the bond between you and your dog and how this relationship may affect you.
- Must be 18 years of age or older, fluent in English, and willing to complete a questionnaire and an approximately 1 hour virtual or telephone interview.

- Upon completion of this research study, participants are eligible to receive a gift card from a national pet retail store.
- If interested, contact Beth A. Pratt, PhD, RN at 561-297-4958 or bpratt4@health.fau.edu
