<b>Summer 2 (6 credits)</b>		
Advanced Nursing Education Practicum (120 hrs per credit/ 8-10 hrs per week-if classroom or clinical live)	NGR 6944L (Live if classroom or clinical)	1 - 2 credits TBD with advisor
<b>Fall 3 (3-4 credits)</b>		
Advanced Concepts for Direct Care Nursing Situations (Hybrid and 5 virtual online synchronous Saturday sessions))	NGR 6006	3
Advanced Nursing Education Practicum (120 hrs per credit/ 8-10 hrs per week)	NGR 6944 L <b>Only if not yet completed</b>	If not yet completed then remaining credits
<b>Spring 3 (3 credits) [6006L can be taken in previous fall if all 6944L education practicums are completed by summer and graduation is scheduled for December]</b>		
Direct Care Focus Clinical Practicum (Live-180 hours of clinical required)	NGR 6006L*TBD with advisor- <b>Live clinical</b>	3 credits-TBD with advisor

The Nurse Educator concentration requires a minimum of **39** credit hours. **Hybrid-virtual synchronous** learning requires all course participants to be face-2-face at the same time on a virtual platform on designated dates and also includes an **asynchronous** online learning component. **Asynchronous** learning is online at any time. **6944L** the advanced teaching practicum is spread over 3 credits and taken in different semesters. Each experience will concentrate on either classroom/didactic, online or clinical/practice lab/simulation experiences. The classroom/clinical/simulation experiences are live and require face-2-face interaction. **6711** has **2 virtual** Saturdays and **1 live** weekend. **6006** is **Hybrid** and has **5 virtual synchronous** sessions.
