About the Archives of Caring in Nursing:

The [Christine E Lynn College of Nursing](#) is dedicated to caring: advancing the science, studying its meaning, practicing the art, and living it day-to-day. The Archives of Caring in Nursing has as its mission preserving the history of caring in nursing, inviting the study of caring, advancing caring as an essential domain of nursing knowledge, and creating meaning for the practice of nursing. We are committed to securing the papers of Caring scholars, and developing and maintaining the Archives to provide access to primary sources. On-site use of the materials in the collections is available by appointment.

The Jean Watson Collection

Provenance: Jean Watson - what are her titles?

Collection Access: The collection is unrestricted. Copying is subject to copyright restrictions.

Citation: Jean Watson, Archives of Caring in Nursing, Christine E. Lynn College of Nursing, Florida Atlantic University.

Dr. Jean Watson is Distinguished Professor and Dean Emerita, University of Colorado Denver, College of Nursing Anschutz Medical Center campus, where she held the nation's first endowed Chair in Caring Science for 16 years. She is founder of the original Center for Human Caring in Colorado and is a Fellow of the American Academy of Nursing; past President of the National League for Nursing; founding member of International Association in Human Caring and International Caritas Consortium. She is Founder and Director of non-profit foundation, Watson Caring Science Institute.

As author/co-author of over 30 books on caring, her latest books range from empirical measurements and international research on caring, to new postmodern philosophies of caring and healing, philosophy and science of caring and caring science as sacred science, global advance in Caring Literacy. Her books have received the American Journal of Nursing's "Book of the Year" award and seek to bridge paradigms as well as point toward transformative models for this 21st century. In October, 2013 Dr. Watson was inducted as a Living Legend by the American Academy of Nursing, its highest honor.
